Brussels University Hospital

Hamdi
FOUNDATION

POLYTECH

The department of Plastic and Reconstructive Surgery at Brussels University Hospital is proposing a 3-month clinical fellowship.

Fellowship director:

Prof. Moustapha Hamdi MD, PhD

Scientific committee:

- Prof. Moustapha Hamdi MD, PhD — Chairman
- Prof. Alex Nistor MD, PhD — Lymph Clinic Coordinator
- Prof. Randy De Baerdemaeker MD — Local Coordinator
- Vivian Breinhild — Senior Director International Sales POLYTECH

Site:

Brussels University Hospital
Laerbeek Avenue 101 — 1090 Brussels — Belgium

Sponsor:

POLYTECH Health & Aesthetics GmbH — Germany

The Clinical Fellowship starts yearly in January and runs for 3 months in Brussels

Prof. Hamdi and his team provide a large experience with a broad spectrum of clinical and research filed in breast surgery. It is an intensive and comprehensive module of refinement in both reconstructive and aesthetic surgery. All types of breast reconstruction will be covered including autogenous (pedicled flaps, free flaps and perforator flaps) implant breast reconstruction, and oncoplastic approaches to breast cancer.

Various techniques of breast reduction and mastopexy together with implant breast augmentation procedures will be exposed by the different staff members of the department. In addition, the department manage many referral cases for revision breast surgery. Fat grafting for both reconstructive and aesthetic is a daily practice. Finally, the fellow will join the multidisciplinary approach to lymphedema with the lymph clinic.

Eligibility

We only accept applications from those who will have fully completed certification of a recognized Plastic Surgery training program or are in their last year of training.

Research Opportunities

The fellowship supervisors are leaders in clinical breast research and there are many opportunities for participating in ongoing research or beginning new research projects.

Fellowship Funds

The total of 3,500 EUR, generously sponsored by POLYTECH Health & Aesthetics GmbH is divided into:

- 3.000 EUR
will be paid to the selected candidate for his/her living during the clinical immersion fellowship in Brussels
- 500 EUR
will cover administrative fee to be paid to the Hamdi Foundation

Now accepting applications

Application deadline: April 30, 2023.

(Selection will be known by mid-May 2023)
